Agreement

- (a) No pupil shall be removed from the School, except with the written permission of the Governors, before the end of the School Year during which he attains the age of sixteen years.*

(*Note : The full Course at Bournemouth School extends for seven years i.e., until a pupil is 18 years old, and a pupil will not derive the maximum benefit from attendance at this school unless he remains throughout that period.)

- (b) Six weeks' notice in writing of intention to remove the pupil at the end of a Term shall be given to the Head Master.

- (c) The Governors reserve the right to exclude any pupil for irregular attendance, unsatisfactory conduct, want of proper progress in studies, or for any breach or non-observance of any of the School regulations or of these conditions.

- (d) The pupil shall not be allowed to enter or return to the School if he has recently suffered from any infectious illness or has been living in a house in which there has recently been any infectious illness unless a satisfactory medical certificate has been previously forwarded to the Head Master stating that the pupil is free from infection. If, during the term, any case of infectious disease should occur in the house in which the pupil resides, the Head Master shall be informed immediately.

- (e) If the pupil is absent through illness or for some urgent reason, satisfactory explanation must be sent at once to the Head Master, and pupils shall not absent themselves from School for any other cause unless permission has been obtained beforehand from the Head Master.

In consideration of the Governors admitting the above-named boy as a pupil at the School, I agree to the foregoing conditions and undertake their fulfilment on the part of the boy and myself; and I further agree to be bound by the regulations and conditions for the time being in force for the government of the School and for the internal organisation, management, and discipline thereof.
